### Chinese Interests

Ormil Energy Limited is pleased to announce that it has received a partial repayment of the monies owing to it from the sale of its 76% shareholding in Guangzi Golden Tiger Mining Joint Venture Limited and of loans due.

\$381,462 has been received in partial settlement of outstanding loans.

The Company is continuing to pursue the balance of funds and believes it will receive a further payment in the vicinity of \$267,371. This amount will be in full and final settlement of all outstanding monies owing to it from the sale of its Chinese interests and of loans due.
