## 2 Letter from the Chairman

23 October 2013

Dear Shareholder,

### **Magnum Gas & Power Limited Share Purchase Plan Offer**

On behalf of the Board, I am pleased to offer you the opportunity to increase your holding in Magnum Gas & Power Limited (Magnum Gas & Power) by applying for New Shares under a Share Purchase Plan (SPP/ Offer).

Under the SPP, eligible shareholders will be able to purchase up to \$15,000 worth of additional shares in Magnum Gas & Power at 1.2 cents without incurring brokerage or other transaction costs. This represents a 33% discount to the market price at close on the record date of 22 October and a 15% discount to the volume weighted average price of the past five trading days prior to announcement.

Magnum Gas & Power is seeking to raise approximately A\$1,500,000 under the Offer to maintain its momentum on its projects in Botswana and NSW. If Magnum Gas & Power receives applications in excess of A\$1,500,000, the directors of Magnum Gas & Power reserve the right to accept over subscriptions or to scale back in their absolute discretion.

Magnum is well placed with significant prospective acreage in Botswana and New South Wales. We have recently successfully completed the current phase of the Botswana CBM exploration programme. The results will provide Magnum with significant data to support prospectivity and basin models, including information on gas properties such as gas content and composition. The next phase of exploration drilling is now being planned. The Company recently announced very positive initial results which confirmed a high percentage of methane in the gas composition, results from the testing and analysis will be completed and released over the coming months.

Encouragingly several major CBM exploration programmes are underway in the basin being carried out by significant peers, including Kubu Energy (Sasol and Origin Energy joint venture), Exxaro and Tlou Energy.

We are very pleased to see a fresh focus and steps being taken to address NSW energy security and pricing issues after the recent Australian Federal election. Former federal resources minister Martin Ferguson has been called on by NSW Resources and Energy Minister Chris Hartcher to broker a breakthrough in the crisis in natural gas supply that is threatening the state and Mr Ferguson said he would personally drive the push to remove impediments to gas extraction in NSW.

**The Offer will open on Friday 25 October 2013 and will remain open until 5.00pm (Perth time) on Friday, 15 November 2013.**

The Offer Price is 1.2 cents representing a discount of 33% to Magnum Gas & Power's closing share price on ASX on Tuesday, 22 October 2013 (being the last trading day before the details of the Offer were announced).

Participation in the Offer is optional and is open to Eligible Shareholders. Full details of the Offer and how to participate are contained in the Terms and Conditions in **section 4** of this document which I encourage you to read and consider carefully.

If you have any questions, please contact the Company's Share Registry, Computershare Investor Services Pty Limited by telephone, on 1300 850 505 or +61 394154000, or consult your financial or other professional adviser.

Thank you for your continued support of Magnum Gas & Power.

Yours sincerely

Tom Fontaine  
Chairman
